LIGHT THE TORCH FOR THE NEXT GENERATION

A MESSAGE FROM OCA SACRAMENTO PRESIDENT

“Light the Torch for the Next Generation”

Come join us at the 29th Annual National OCA Convention

June 28 – July 1, 2007 in Sacramento

The OCA National Convention is the premier event of the year for the Asian Pacific American Community. Over the years, OCA's National Convention has evolved to meet the needs and demands of our members, sponsors and the Asian Pacific American Community. Our education, leadership and outreach programs have enriched the lives of students, seniors, professionals, business owners, community leaders and multi-generational API families. Each year, our programs are current, entertaining, and informative as well as having substance that promotes health, education and culture. Our mission is to embrace the hopes and aspirations of all Asian Pacific Americans.

Linda Ng, OCA-GSC
President

Our theme for 2007 is “Light the Torch for the Next Generation!”

- Ignite passion for excellence;
- Be proud and embrace one's culture;
- Imagine and dream of great inventions and discoveries;
- Empower young professionals to succeed in the corporate area;
- Enlighten passion for good health and preventative medicine;
- Participate in non-profit and charitable organizations.

Before we can pass the torch to the next generation, we must light it first!
